Fresno Camera Club—January Highlights

Merry Christmas to All,

Well the cold weather has finally arrived. It helps getting into the Holiday spirit.

I’m sure you all have your shopping done!! Right. LOL

I want to thank everyone for attending our Year End luncheon and

Awards. It was wonderful to see so many supporting our club. It’s a great time to socialize and get to know other members.

Oh, and a big CONGRATULATIONS to all the winners. Loye is working on getting the plaques and ribbons ready to hand out at the January meeting. I hope even more of you come next year, it’s a nice afternoon.

I know you’re planning your next outings for next year right? I am. So far we’re planning on going to Yellowstone in February and the east coast in the fall.

Looking forward to seeing a lot of new photos next year. So get out there and start shooting.

If any of you are planning on traveling this Holiday, be safe.

The Next meeting is in January is a print competition and the start of the two levels.

Merry Christmas and Happy New Year!

December Meeting Recap

Judge: **Sam Shaw**

Dee started the meeting at 10:00 a.m. She read the names of the Officers and Directors for 2017. It was announced that there was one opening for a director. **Craig Hadfield** was nominated and is our sixth director. **Craig** is also taking over as Digital Chairman. Thanks **Craig**!

Jonathan was the most recent to visit **Lee**. She is doing better and walking with a walker on her foot. She isn't in as much pain and doing well.

January will start our new competition year. January will be a Print Competition. It will also be the beginning of our two tier competition.

Dee read over members receiving High Points awards at council. (See page 15 for a list)

No Program Night in January, there will be a Board Meeting at 6:30 p.m. at the Horn Photo Education Center.

February will bring our Annual trip to Horsetail Falls in Yosemite. **Sam Shaw** mentioned that they will not allow us to park on the side of the road this year, people will be bussed in.

Sam Shaw is our judge for today. He selected many wonderful images.

Art Serabian compiled all of the Digital Images submitted in 2016 into a video, this was also shown at council.

See you in January!

PSA Information

Are You a Member of the Photographic Society of America (PSA)?

"ADVANTAGES OF HAVING PSA MEMBERSHIP

PSA has a **Personalized Image Evaluation Service**.

This service is especially helpful if the maker wants to have his/her skills evaluated, if the maker would like to know what constitutes

an acceptable image in one of the PSA Divisions, or for previewing Images before entering them in club competition or a PSA recognized Exhibition.

PSA also has an **Image Analysis Course**, which is helpful in judging ones own photos or becoming a certified judge.

These are free services offered by PSA to members.

PSA Galleries

PSA has several galleries on this website where members can share their photography with others.

PSA Member Galleries - For All PSA Members Each State, Province, or Country may contain individual member galleries that showcase members' work. Individual images and bios in galleries may be updated by members as often as they would like. A list of available galleries is accessed from the left pane of this webpage, grouped according to PSA Member Area. They can also be accessed from a state/province/country and some chapter pages on the site.

Each PSA member can create a gallery of up to 6 images and a biography with a link to a personal web gallery. **Member galleries stay on the PSA site for as long as a member remains a PSA member in good standing.**

Any questions, just ask me, as I am the PSA Rep for this area.

New PSA Definition for Photo Travel Effective January 2016

Clarifications concerning the Updated Photo Travel Definition:

A Photo Travel image expresses the characteristic features or culture of a land as they are found naturally. There are no geographic limitations. Images from events or activities arranged specifically for photography, or of subjects directed or hired for photography are not appropriate. Close up pictures of people or objects must include features that provide information about the environment. Techniques that add, relocate, replace or remove any element of original image, except by cropping, are not permitted. The only allowable adjustments are removal of dust or digital noise, restoration of the appearance of the original scene, and complete conversion to grayscale monochrome. Other derivations, including infrared, are not permitted. All allowed adjustments must appear natural.
