Pintail Duck

By Jim Sanderson

Taken last winter at the Merced National Wildlife Refuge. This was the best out of a five shot sequence of the duck bathing itself. Taken with my Sony a1 camera and a 600mm f/4 lense with a 1.4 teleconverter in crop mode. f/11, 1/2000s, ISO 800. Not a lot of post processing other than contrast adjustments and a saturation bump.

Distant Clouds Over the Dunes #2

By Loye Stone

I am very passionate when it comes to photographing sand dunes. When I am among the dunes and surrounded by them, I feel part of them. The calming beauty and the silence while with them is an addiction that I can't get enough of.

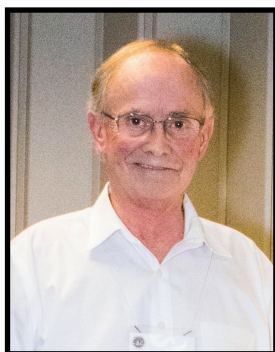

Death Valley Mesquite Dunes is my location of choice. To get the good shots without footprints takes about 3 miles of walking in and out of the dunes. This image was not taken at my normal sunrise time frame, but rather in late afternoon.

Camera- Canon 5d Mark III, Canon 24mm lens at f18.

Spring Dogwood Blooms

By Jim Sanderson

Taken over the Memorial Day weekend up in the hills near Central Camp near Bass Lake. There is a little group of dogwood trees that I visit every year when camping in the area for the extended weekend. These are at about 6,300 feet elevation. This shot was one of many from the area I took this year. Taken with my Sony a7r camera with a 100-400mm lens at 400mm. f/11, 1/250s, ISO 800.

Depression

By Shelley Stone

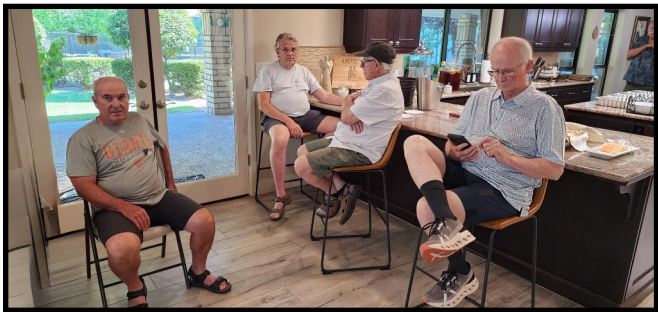

We visit the ghost town of Bode often, but on this particular trip we had our son Jeff, dress in clothing of the period. This pose was most intriguing to me Camera - 5d Mark III , 24-105 Canon zoom lens at 24mm f8.

PSA Information

Are You a Member of the
Photographic Society of America
(PSA)?

"ADVANTAGES OF HAVING PSA MEMBERSHIP

PSA has a **Personalized Image Evaluation Service**. This service is especially helpful if the maker wants to have his/her skills evaluated, if the maker would like to know what constitutes an acceptable image in one of the PSA Divisions, or for pre-viewing Images before entering them in club competition or a PSA recognized Exhibition.

PSA also has an **Image Analysis Course**, which is helpful in judging ones own photos or becoming a certified judge.

These are free services offered by PSA to members. Need a Mentor? Go to
<http://psa-photo/org.php?member-education-mentor-service>

PSA Galleries

PSA has several galleries on this website where members can share their photography with others.

PSA Member Galleries - For All PSA Members
Each State, Province, or Country may contain individual member galleries that showcase members' work. Individual images and bios in galleries may be updated by members as often as they would like. A list of available galleries is accessed from the left pane of this webpage, grouped according to PSA Member Area. They can also be accessed from a state/province/country and some chapter pages on the site.

Each PSA member can **create** a gallery of up to 6 images and a biography with a link to a personal web gallery. **Member galleries stay on the PSA site for as long as a member remains a PSA member in good standing.**

Many members have asked if we have field trips planned or if fellow members would like to go out on shoots. I created a page on Group-Me.com so we can see if other members would like to join us on photo-adventures:
